Notes:

- Welcome to Sparks this year! We're looking forward to a great Sparks program each Tuesday.
- Each child in Sparks will be working through the same handbook, the HangGlider handbook.
- Each week we will be focusing on the section(s) listed in this table. Most of the time one section will be the focus of a Sparks night, however sometimes there are two or three sections.
- There is a chart inside the cover of the HangGlider handbook that has the same sections as this chart
- All sections are required to complete the handbook except for Red Jewel 1:1.
- Each section has a "To finish this section" heading.
- Please let us know if you have any questions about the HangGlider handbook.
- Audio Download of HangGlider Handbook tracks - available at awana.org/sparksdownloads (look for Sparks HangGlider Handbook Audio ESV)
