Notes:

- Welcome to Sparks this year! We're looking forward to a super Sparks program each Tuesday.
- Each child in Sparks will be working through the same handbook, the SkyStormer handbook.
- Each week we will be focusing on the section(s) listed in this table. Most of the time one section will be the focus of a Sparks night, however sometimes there are two or three sections.
- There is a chart inside the cover of the HangGlider handbook that has the same sections as this chart
- All sections are required to complete except for the ones noted in the chart (**NOT REQUIRED**).
- Each section has a "To finish this section" heading in the handbook.
- Please let us know if you have any questions about the SkyStormer handbook.
- Audio for SkyStormer Handbook tracks - available at: www.awanaplus.com/skystormer (scroll down to Handbook Audio ESV)
