HIS PEOPLE

Notes:

- These are really important years in the life of your pre-teen daughter or son. We hope that the Bible study book this year will allow them to dive deep into the Bible, own their faith and discover what they actually believe.
- His People Bible Study focuses on Biblical community, as told through the Book of Acts, and has students asking themselves the question "Who is with me?"
- If you'd like to finish your book, then these things need to be completed for each lesson:
 - Memorize and recite the key verse for each lesson
 - Complete the corresponding Three - Year New Testament Reading Plan and recite corresponding verses. 1st year in Trek reads Year One etc. Bible Summaries can be found at <https://clubs.awana.org/ym-course/his-people/>
- If you are not planning on completing your book, we'd encourage you to read when you can, and follow along with the lessons. During the large group time at Trek we will be presenting a lesson from the Bible Study book. Here is an outline for the year to help you keep track.
